

BNZ Partner Capital Loans

Supporting the pathway to ownership with up to 100% funding for new Partners and Directors.

Partner Capital Loans help with the business challenges of succession and the promotion and retention of key talent within your firm.

We'll work with you to understand various funding options based on your situation, which could include the following factors:

- Special purpose borrowing entities and bespoke funding structures
- Shareholder or Partner loans backed by the business balance sheet
- Partner distributions
- Interest only or amortisation periods
- Secured or unsecured lending options

BNZ has an experienced team of bankers with a deep understanding of your sector, who will work with you to provide banking solutions that support the pathway to ownership.

Talk to your BNZ partner about different funding options which can help you and your firm with the pathway to ownership and solve for succession.

These options include:

- Residential backed loans used to fund the purchase of shares
- Use of the balance sheet of the firm to raise capital for an incoming shareholder or partner
- Borrowing through your trading trust or company to purchase the shares
